Sir,

Sub - Grant of loan to Hiryamangalam Municipality

I have the honour to state that great dearth of permanent buildings is being felt at Hiryamangalam town and demand for the same is on the increase day by day. Acquisition proceedings have also been started and the municipality has to pay a sum of Rs.500/- towards the cost of the lands to be acquired. The present financial position of the Municipality does not permit it to meet the same. The Council has at its meeting held on 20-3-50 resolved to raise a loan of Rs.3000/- from the government repayable with an interest of 6% per annum from out of the sale realisation of the sites.

The Council anticipates an income of about Rs.10,000/- which will be quite sufficient to meet the layout charges and also to repay the loan to be raised now.

In the circumstances, I request that the Government may kindly be moved to sanction a loan of Rs.3,000/- to Hiryamangalam Municipality repayable with an interest of 6% from out of the sale realisation of the sites to be formed.

The connected papers accompany.

Yours faithfully,

Deputy Commissioner,
